SENATE CONCURRENT RESOLUTION 10—EXPRESSING THE SENSE OF CONGRESS THAT THERE SHOULD CONTINUE TO BE PARITY BETWEEN THE ADJUSTMENTS IN THE COMPENSATION OF MEMBERS OF THE UNIFORMED SERVICES AND ADJUSTMENTS IN THE COMPENSATION OF CIVILIAN EMPLOYEES OF THE UNITED STATES

Mr. SARBANES (for himself, Ms. MIKULSKI, Mr. WARNER, and Mr. CLELAND) submitted the following concurrent resolution; which was referred to the Committee on Armed Services:

S. CON. RES. 10

Whereas members of the uniformed services of the United States and civilian employees of the United States make signifi-

cant contributions to the general welfare of the United States; and

Whereas, increases in the levels of pay of members of the uniformed services and of civilian employees of the United States have not kept pace with increases in the overall levels of pay of workers in the private sector so that there is now up to a 30 percent gap between the compensation levels of Federal civilian employees and the compensation levels of private sector workers and a 9 to 14 percent gap between the compensation levels of members of the uniformed services and the compensation levels of private sector workers; and

Whereas, in almost every year of the past two decades, there have been equal adjustments in the compensation of members of the uniformed services and the compensation of civilian employees of the United States: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That it is the sense of Congress that there should continue to be parity between the adjustments in the compensation of members of the uniformed services and the adjustments in the compensation of civilian employees of the United States.

● Mr. SARBANES. Mr. President, I am pleased to join with Senators MIKULSKI and WARNER in submitting a resolution which would express the sense of the Congress that parity between Federal civilian pay and military pay should be maintained. Disparate treatment of civilian and military pay goes against longstanding Congressional policy that for more than a decade has ensured parity for all those who have chosen to serve our Nation, whether that service be in the civilian workforce or in the armed services. I urge my colleagues to join me in support of this important resolution.●

Whereas the amendments made by that Act are intended to be an important tool in protecting public health, particularly the health and well-being of the most valuable resource of the United States, the children of the United States;
